At the end of this Commission's Hearing the Shoshone Condominium Hotel Owners Association ("SCHOA") did not object to the alleged email sent Mr. Orsello by Mr. Stacy Tschider on or about September 28, 2012 being filed as a late exhibit, in part, because SCHOA believed no such email existed. SCHOA was never asked nor was this Commission asked to allow other late filed exhibits in lieu of the purported email. The other emails sought to be introduced as late filed exhibits which is the subject of Motion to Strike do not aid or assist

Mr. Tschider's testimony on the issue of the nature or existence of the purported September 2012 email to Mr. Orsello. Because neither the Commission nor other parties were requested to consent to the late filed exhibits, they should be stricken.
